

October 26, 2015

Dear Parents,

This year Acworth Intermediate School will be partnering with Alive Ministries to help provide food and toiletries to students & families in need in the Cobb County School District. We hope that you will join us as we support this great cause as we challenge each homeroom to collect as many canned goods and toiletry items as possible by November 16th. All of the items collected will be donated to the Save It Forward Food Pantry at Barber Middle School.

This campaign will teach students the importance of helping others in need and the value of working together. Students will learn that no matter how large or small their contribution is to the campaign, when we work together and each does his/her part, we can make a BIG difference.

We are asking each child to assist his/her homeroom in collecting the most items possible, by bringing in non perishable foods or toiletries from November 2nd until November 16th. No expired items please. On behalf of the teachers and administrators at Acworth Intermediate School, thank you for your support!

Sincerely,
Pamela Adeli
Principal
Acworth Intermediate School
